**SPECIALTIES:**

- Surgery, Orthopedic

Dr. Spivak, Board Certified in Orthopedic Surgery, is director of the NYU Hospital for Joint Diseases Spine Center. His practice of 16 years is exclusive to spinal surgery in adolescents and adults. He earned both his Bachelor's and Master's degrees at MIT and his MD at Cornell Medical College. He is an expert in the treatment of lumbar and cervical disc herniations, spinal stenosis, spondylolisthesis, scoliosis, and kyphosis. He routinely uses minimally invasive surgical techniques and commonly utilizes the newest proven technologies including artificial disc replacement. He continues to be actively involved in clinical research trials, is a prolific author, and lectures locally and nationally on the treatment of spinal disorders. He sees patients weekly in Manhattan and White Plains.
